IMPORTANT NOTICES

Please make sure we receive all relevant show information no later than 6 weeks before the day of performance. Please provide techniek@meervaart.nl with:

- technical rider, including stage plot and patchlist
- lighting plot
- hospitality rider
- backline: we will presume artist will carry all backline unless agreed otherwise
- travel party
- technicians the group will bring
- means of transportation
- your exact timeschedule for the day

Please contact venue's production manager 6 weeks in advance to the show to discuss the number of crew needed. Please report any changes regarding get in time a.s.a.p. to venue, at least 4 days before the day of performance. Extra costs due to changes after this date may be charged to the artist.

Meervaart is obliged to work according to the Dutch occupational health and safety regulations determined by the Dutch Labour Inspectorate. We expect you to do the same.

Meervaart stage dept. works according to the general agreement of the VSCD (Mantelovereenkomst van de VSCD – Nederlandse Vereniging van Schouwburg en Concertzaal Directies). This among other things means that Meervaart does not supply more technical crew than the number of visiting technical crew. Extra crew will be charged to the artist.
